Indicative starting prices for baseline configurations, from the SREW Projects SS fabrication brochure. Not listed on srewprojects.com; the site states prices depend on grade, thickness and size. Quotes exclude GST, freight and site-specific customisation.

Customisation options

- Fabricated in the stainless steel grade you specify, most commonly SS 304 and SS 316, with sheet thickness agreed in the quotation
- Made to order: share your size, grade and quantity (and drawing, if available) for a quotation
- Tanks: vertical or horizontal; manholes, nozzles, legs or saddles to your drawing
- For a tank quote, share capacity, orientation, nozzle positions and the liquid to be stored

Request a quotation

Send your size, grade and quantity. We reply with a quotation, usually within one working day.
